Do you supply your product or service to farm attractions?

Join NFAN today and start to benefit!

“Many NFAN members are now regular customers. Without any doubt the network has been crucial to this.”

***David Taylor,
TaylorMade Play Equipment***

“Every year, we’ve obtained our membership fees back at least 40 times over”

***Anita Waddell,
Agility Marketing***

“We were able to grow our profile and customer base quickly through NFAN. ”

***Jonathan Winchester,
Shoppers Anonymous***

Reach NFAN members

NFAN trade membership is a fantastic way of increasing your awareness, profile and ultimately new business amongst the farm attraction sector.

The National Farm Attractions Network (NFAN) currently have over 170 full farm attraction members and are on schedule to reach 200 by the end of 2011.

Trade membership will help your business...

Increase your profile

- Your company's details will be added to the NFAN website, an excellent source for farm attraction leads.
- Upon joining, you can provide information about your services to the NFAN office who will email it to members.
- You'll be able to use the NFAN logo on your website, literature and refer to your membership when talking to fellow farm attractions.

for 2012**

Provide opportunities to network

- As a trade member, you can attend the Farm Attraction Open Days, to which we've previously had around 50 farm members attend.
- Trade members can also book to attend the 'Site Visit Day' of the 2012 Annual Conference, when members visit local farm attractions. Usually the conference has over 100 members attend and this is a great way to meet fellow members.

Give you priority

- In 2011 we sold out of exhibition space. In 2012, the exhibition space is being enlarged and priority for stands will be given to new members.
- As a member, you benefit from reduced rates in the NFAN newsletter, Network News. As advertising space is limited in this publication, again priority is given to NFAN members.
- If you wish to increase your profile further, trade membership also allows you to be a sponsor at the annual NFAN conference or Open Day events.

Special Joining Offer

Join for 2012 and get the rest of 2011 free. Trade membership is just £200 per annum for 2012. To apply, complete the application form overleaf. You can pay by credit card, debit card or company cheque.
