# Health & Safety for Farm Parks

Wed 1<sup>st</sup> March 2017, 9.30am – 3.30pm, Hall Hill Farm, Durham

Wed 11<sup>th</sup> Oct 2017, 9.30am – 3.30pm, Barleylands, Essex

## ABOUT THE WORKSHOP

Following last year's sell out courses NFAN is running two further workshops in 2017 looking at Health & Safety at farm parks and how to safely manage animal contact under the Industry Code of Practice.

- Do you want to improve management of health and safety?
- Learn how to apply the principles of compliance in your business?
- Would you like to improve your visitor experience?
- Explore ways to manage animal contact using the Industry Code of Practice?

The workshops led by Ray Hipkin a Chartered Safety Practitioner are for business owners, managers and those responsible for Health and Safety management and will look at **Facility Layouts, Play Equipment** and **managing Animal Contact Areas**.

The workshops are practical and tailored to the needs of farm attractions - share experiences on how we identify hazards and their causes as well as some of the tell-tale signs that tell us when we need to take action.

You'll leave with a whole range of ideas, hints and tips which you can put into practice straight away back at work.

## WED 1st MARCH, HALL HILL FARM

Winner of a number of awards including NFAN Farm Attraction of the Year (Under 75k visitors). During the course, you will have chance to tour Hall Hill Farm and hear from the owners. You will share experiences, look

at good practice and discuss how it is maintained, including different approaches you can take to meet and exceed the Industry Code of Practice.
