Reach NFAN members

NFAN trade membership is a fantastic way of increasing your awareness, profile and ultimately new business amongst the farm attraction sector.

The National Farm Attractions Network (NFAN) currently has over 170 farm attraction members and is continuously growing!

**Great
benefits
for trade!**

Trade membership will help your business...

Increase your profile

- Your company's details will be added to the NFAN website, an excellent source for farm attraction leads.
- Upon joining, you can provide information about your services to the NFAN office who will email it to members. You can also send another promotional email within the year.
- You'll be able to use the NFAN logo on your website, literature and refer to your membership when talking to fellow farm attractions.
- You will have the opportunity to showcase your expertise by writing an advice article which is sent to attraction members and uploaded to the website.

Provide opportunities to network

- As a trade member, you can attend the Farm Attraction Open Days, to which we've previously had around 100 farm members attend.
- Trade members can also book to attend the 'Site Visit Day' of the 2013 Annual Conference, when members visit local farm attractions. Usually the conference has over 150 members attend and this is a great way to meet fellow members.

Priority and reduced rates

- In 2012 we sold out of exhibition space! For 2013 members are given priority booking.
- As a member, you benefit from reduced rates in the NFAN newsletter, Network News. As advertising space is limited in this publication, again priority is given to NFAN members.
- If you wish to increase your profile further, trade membership also allows you to be a sponsor at the Annual Conference or Open Day events.
