Trade membership will help your business:

Increase your profile

- Your company's details will be added to the NFAN website, an excellent source for farm attraction leads.
- Upon joining, you can provide information about your services to the NFAN office who will email it to members. You can also send another promotional email within the year.
- You'll have the opportunity to be included in the quarterly 'What's New' e-newsletter to promote your new products and services to farm attraction members.
- You'll be able to use the NFAN logo on your website, literature and refer to your membership when talking to fellow farm attractions.
- Upon joining you'll receive a NFAN membership sticker to display in your office.

Provide opportunities to network

- As a trade member, you can attend the Open Days, to which we've previously had over 100 farm members attend.
- Trade members can also book to attend the 'Site Visit Day' of the 2015 Annual Conference, when members visit local farm attractions. Usually the conference has over 150 members attend and this is a great way to meet fellow members.

Priority and reduced rates

- For the last three years we have sold out of exhibition space! For 2015, members will get priority booking for trade stands.
- As a member, you benefit from reduced rates in the NFAN newsletter, Network News. As advertising space is limited in this publication, again priority is given to NFAN members.
- If you wish to increase your profile further, trade membership also allows you to be a sponsor at the Annual Conference, Open Days, 2-day Roadshow and host educational workshops.
