INDUSTRY CODE OF PRACTICE WORKSHOP

FREE NFAN Training Event – 4th December 2014

Willows Farm Village, Coursers Road, London Colney, Herts, AL4 0PF

About the FREE Workshop

The Industry Code of Practice Workshops held in October have been so popular, we've added a further date in December.

This essential event for Farm Park Operators will provide guidelines on how adults and children should interact with animals, as well as deliver guidance on how HSE agencies should inspect premises.

The delegates will be both Farm Operators and HSE agents; enabling a platform for discussion, debate and deeper understanding.

Supported by NFAN and the HSE, this event is FREE to attend.

The Programme

This programme has been developed to encourage a common level of understanding between HSE agents and Farm Park and Rural Attraction Operators.

- Welcome refreshments
- The HSE perspective on the Industry Code of Practice and its enforcement
- The Animal Health aspects of Zoonoses from the Animal Health & Veterinary Laboratory Agency
- Coffee
- Tour of the Farm
- The Operator and Farm Park Industry View presented by NFAN and debated by attendees.
- Questions and photos of good and poor practice to stimulate discussion.

Willows Farm Village

With the event being held in December, delegates will have an opportunity to tour Willows magical Santa's Grotto and Christmas experience.

With over 20,000 visiting Santa each year, this would be interesting to anyone who currently runs a Christmas experience or is thinking of doing so in future years.

Book now for your morning or afternoon workshop

We are running a session in the morning (9.30am – 1pm) and afternoon (1.30pm – 5pm) for all farm attractions. If you wish to tour the grotto, this will take place **after** the morning session at **1pm** and **before** the afternoon session at **11.45am**.

To reserve your space, please complete the attached booking form, indicating your preference for either morning or afternoon. Once the event becomes full, any delegates will be added to a waiting list.

Spaces are limited to **30** delegates per morning and afternoon session, with a maximum of 2 delegates being able to attend from any one organisation.

If you have any questions, please call NFAN on 01536 513397 or email info@farmattractions.net
